ABOUT ME

Dynamic Automotive Electrician and Mechanic with comprehensive expertise in electronic fuel injection systems and complex vehicle electrical wiring for both diesel and petrol engines. Proven diagnostic abilities to effectively identify and resolve engine faults and issues in critical vehicle components. Committed to ensuring vehicle safety and reliability through meticulous maintenance practices. Advanced proficiency in utilizing diagnostic scanners to troubleshoot and rectify automotive faults, continually refining skills in a hands-on workshop environment.

WORK EXPERIENCE

Automotive Electrician & Mechanic

Zeenat Motor Workshop [2018 – Current]

City: Gujranwala | Country: Pakistan

As an Automotive Electrician and Mechanic at Zeenat Motor Workshop, I have developed a comprehensive expertise in electronic fuel injection systems and intricate vehicle electrical wiring for both diesel and petrol engines. My tenure at the workshop has sharpened my diagnostic abilities, enabling me to effectively identify and resolve engine faults and issues within critical vehicle components. I am dedicated to ensuring vehicle safety and reliability through meticulous maintenance practices. Additionally, I possess advanced proficiency in utilizing diagnostic scanners to troubleshoot and rectify automotive faults, continually refining my skills in this dynamic and hands-on environment.

Automotive Diagnostics Instructor

Christian Technical Training Center [08/2023 – 09/2024]

City: Gujranwala | Country: Pakistan

Throughout my tenure, I have demonstrated exceptional technical skills in automobile technology, specializing in the diagnostics, maintenance, and repair of various automotive systems. I possess a strong understanding of vehicle systems, including engines, transmissions, brakes, and electrical components, consistently maintaining a high standard of quality in my work. I effectively meet deadlines and ensure that all projects are completed with efficiency and accuracy.

Automotive Electrician

Honda Gujranwala Motors [2017 – 2018]

City: Gujranwala | Country: Pakistan

As an Auto Electrician at Honda Gujranwala Motors, I diagnosed and repaired electrical faults, ensuring optimal vehicle performance. I installed and upgraded electrical systems, including electronic fuel injection and audio components, while collaborating with mechanics to address complex issues. I maintained accurate records, communicated effectively with customers, and adhered to safety and quality standards.
